

Get Involved

We believe that our new documentary film, *Blessed Fruit of the Womb*, will be a powerful tool to raise awareness about the need for family planning education and reproductive health services in Guatemala. But we need your help to get the film into homes and communities across the United States and around the world. Please consider sharing your commitment to improving the lives of Guatemalan families by hosting a film screening event in your home, church, school, office, or other community location.

Here are some ideas on how to get involved:

Spread the Word:

- Contact communications@wingsgate.org to request a copy of the film, let us know about your upcoming event, and ask any questions you have about the film.
- Download a Screening Kit on WINGS' website to help guide you in planning your event. The kit includes fact sheets about the need for family planning in Guatemala, a guide for introducing and discussing the film, and promotional materials to help invite people.
- Share the DVD with your friends and family and encourage them to pass it on.

Learn More:

There are many resources to learn more about reproductive rights in Guatemala, but two great places to start are our website (www.wingsgate.org) and our blog (www.wingsgate.org/blog). You can find:

- statistics and facts about our family planning, reproductive health, and conditions in Guatemala
- information about our Reproductive Health Integrated Model
- financial reports that show how we use your donations to maximize impact
- stories of the women, men and youth that we reach
- perspectives of our staff and volunteers on our work

You can also follow us on Facebook and Twitter (@WINGSGuatemala)

Donate:

Show your commitment to fighting for reproductive rights in Guatemala by donating to WINGS online (www.wingsgate.org) or by check (1043 Grand Ave. #299, St. Paul, MN 55015). Consider becoming a WINGS Sustainer with monthly donations:

- \$9 provides a couple with 100 condoms
- \$12 provides a woman with contraceptive injections for a year
- \$14 provides a woman with an IUD, protecting her from unwanted pregnancy for 7 years

THANK YOU!

Please feel free to contact us at communications@wingsgate.org with questions.
